

# The Lewis County Humane Society presents our annual **MUTT STRUT Event & Fundraiser**

peace.love.adoption

Our biggest fundraiser of the year! Mark your calendars for our **October 2nd event!**

This year's main project that we are raising funds for is a large cat room remodel. We've done lots of work for our dog areas in the past couple years, and our kitties have been left in the settling dust! Some work we hope to accomplish:

- Revamp the layout for more function and space.
- Replace non-efficient windows.
- Replace all wood & porous materials with solid surface materials.
- Add better ventilation, heating and air conditioning.
- Replace worn vinyl floors with epoxy paint.

All work will make our catteries easier to clean, and prevent the spread of diseases.

Not a cat person? That's ok, we have more dog projects in the works too!

- Replace worn & damaged outdoor fencing.
- Add dog runs (additional fencing).
- Install "dig preventers" – a huge necessity for the safety of all dogs.
- Cover all kennels to prevent climbing/jumping out & provide shade.
- Replace broken dog houses.
